Call to order by Rolf Ethun, Chairman

Approval of the agenda - motion by Gary Engstrom, 2<sup>nd</sup> Paul Lewandoski, carried

Approval of the minutes of the 4-27-22 meeting – Tabled to next meeting as not available for review

Financial report – Rolf reports no change from last month

Winchester town board liaison report – distributed via email to list on 5/24

NLDC Water Coordinator report – Jamie Vandenlangenberg introduced the 2022 NLDC water interns, described the approach for this year will be substantially the same as last, but with four interns instead of two, reviewed priority projects, will email the list of dates for AIS training

Old business

1. Dissolved oxygen meter training – 30-minute training is available from Steve Budnik.
2. Status of Papoose Lake water regulations with Presque Isle - The Town Board resolved last month to pass the Papoose Lake joint ordinance with Presque Isle. The document should be signed and posted at the June 6 board meeting
3. Shoreline stabilization - guide for homeowners & visitors – copies available from NLDC
4. Updated committee communication list – See Rolf email dated 5/29
5. Discussion of projects for this summer – See Jamie email dated 6/2

New business

1. Calendar of lake association annual meetings – See Rolf email of 5/25
2. Report on Pardee Lake management plan progress – Dave Lull reported that too few lake residents were in town to provide an full update at this time
3. Schedule of lake management plan report – June, Hiawatha Lake; July, Circle Lily Lake; August, Adelaide/Helen Lakes; September, Little Papoose/Nooseeum Lakes
4. Items from the floor – none to report

Adjournment – Motion by Paul, 2<sup>nd</sup> Jim Evans, carried
