

WINCHESTER TOWN LAKES COMMITTEE MEETING JUNE 29,2022

ATTEND: Paul Lewandoski, Jim Logan, Glenn Goldschmidt, Nancy Russell, Darrel Smith, Arlene Kellett, Rolf Ethun. Via zoom; Jim Evans and Tom Kocim.

Agenda and minutes approved and seconded.

John Grimmer: Harris Lake clean up of Curly Leaf Pond Weed was done by Discovery Center interns and some help from residents. No new locations were found. Harris Lake has 6 new CBCW members. New ambulance was purchased and will be operational in about one year. Papoose Lake User ordinance was approved by both Presque Isle and Winchester Town Boards,

Discovery Center: Water monitoring interns spent 40 hours pulling yellow iris on the Turtle Chain. All residents need to be aware and watchful.

Six County Lakes Conference will be held July 15, 2022 at 9:00 a.m. at Nicolet College.

Birch Lake has a new representative Galen Brownwell joining Tom Kocim.

Hiawatha Lake Association presented their implementation plan. No AIS has been found.

Circle Lily Lake will present at the next meeting.

Paul Lewandoski was contacted by DNR to allow a survey of Rosalind Lake as part of a study of 250 lakes in Wisconsin, Minnesota and Michigan for O2 levels and clarity.

Rainbow Lake reported a loon nesting on the platform. 8 swans are nesting on the creek between Rainbow and Tamarack Lakes..

Next meeting July 27 at 9:00 a.m.

Submitted by Arlene Kellett.
