Winchester Lions Club

The Winchester Lions club was established in 1970 and is open to both men and women who are interested in community service.

Examples of Lions' projects include:

- scholarships awarded to local students
- donations to the Winchester fire department
- donations to local food pantries
- the annual Christmas Shopping event for children
- and many others.

Lions is also proud of the past partnership with the town on the construction of the community park pavilion and continue to work on improvements and projects to make it a wonderful community gathering place. To raise money for these efforts, the Lions club holds fundraising events such as an annual Chicken BBQ and Tailgate party along with other smaller events.

The club is always looking for new members.
