CORRESPONDENCE:

OLD BUSINESS:

- Watched a video on the Turtle fire system to combat EV thermal runaway fires; prices from Pomasl and 2 others are about \$3,000
- No need to decide on purchasing Turtle system tonight, do some research and bring up next month; motion to table decision until next meeting by Matt, seconded by Don M
- Discussion on how to fight EV fires: runoff issues, wrecker is about 45 minutes out if they opt to tow an EV that has been/is on fire; option to hook up burning EV to Rescue and drag it from other cars/structures; some tow yards use concrete bunkers for storage of EVs
- WinMan trails has a lot of EVs in parking lot at times
- Wildland fire training scheduled on 2/24/26
- On 2/25/26 and 2/26/26 there is training in St Germain, can be found on DNR website
- Replacement gear ordered for Cory and Bill
- North star did oil change on Winchester 91
- Engine 1-noticed water on bottom of truck after valve repairs, not sure why
- Fire inspections totaled 53, 100% compliance. Done and approved
- Fire class in Mani scheduled to start on 3/4/26; more members needed (about 8 to hold a class); reach out if can to increase membership
