**MEETING CANCELED**

**NEXT MEETING 6/9/26**

**CORRESPONDENCE:**

**OLD BUSINESS:**

- Talked about moving account to avoid \$175 fee, no changes
- Talked about ways to reduce sediment via flushing the dry hydrant initially; cinder block under dry hydrant in water; using a floating strainer always a second option
- Potential June training would be to put cinder blocks under dry hydrants in our area
- It was decided not worth buying the Turtle fire system
- Discussed some difficulties setting up a dumpsite at the PI fire in March
- Pedal cutter is in service in the Rescue
- Winchester ambulance in shop for repairs; at least 2 weeks out to be done
- Work done on Engine 1: re-valved, potential sand/dirt damage into pump; repairs cost around \$9,000. Back in service now
